Update on Peekskill Farmers Market:

The Peekskill Business Improvement District Board of Directors, the governing body of the Peekskill Farmers Market, made the difficult decision tonight to suspend the Peekskill Farmers Market until further notice. We must do our part to slow the spread of the Coronavirus.

We will be monitoring the situation and once the health emergency clears, we will be opening the market on Bank Street. While we know that this causes a hardship on our vendors and an inconvenience to our customers, it is the right decision to make at this time. The health and safety of our community is paramount.

We thank you for your understanding and for your continued patronage when the market returns to Bank Street.
