 - Inspections will be made only with the farmer/owner or their representative present, unless written permission is given.
 - Vendors must provide any help necessary to thoroughly document products and conditions recorded at the inspection.
 - The vendor will be notified in writing of the results of the inspection within seven days of the inspection.

9. Market strongly discourages vendors from bringing young children to the market with them.

Guidelines for Selling

1. You and your representative(s) are expected to have a professional demeanor at all times. This includes being polite and friendly to Market customers and maintaining a presentation in keeping with market standards.
2. **All vendors must have a sign clearly showing their name and location, and the price of every item sold must be clearly labeled/visible. This is a New York State requirement.**
3. Each vendor will be responsible for all equipment and supplies for the setup of a booth. Displays should be constructed in such a way that they do not block customer walkways nor pose any other hazard to customers. Vendor tents **MUST** be properly weighted down.
4. Vendors are required to keep their market space neat and clear of obstacles, litter and debris. Your space must be broom swept clean and any refuse removed at the end of each market day.
5. All produce displayed for sale must be at least 12” off the ground with the exception of heavy or large items such as pumpkins.
6. **Sellers must clearly post prices.** It is expected that prices will be fair to consumers, the seller and fellow sellers. Collusion among sellers to attempt to influence prices is strictly prohibited.
7. No tobacco products, smoking paraphernalia, or firearms are permitted for sale at the market. Vendors must not sell medications, alcohol (except those permitted) or drugs, tobacco products, vape products or any other items that are prohibited by law. 8. No hawking, proselytizing, or amplified music or voice by vendors is permitted at the market. No political or campaign promotion is allowed.

As a general rule there will be no exclusivity agreements offered to any market vendors but, depending on product demand and market visitor counts, limitations may be placed on the number of vendors within a specific product category. This final determination will be made by the Governing Body (the Peekskill BID) and is subject to review at the beginning of each season.
